Notes:

- 1 The standalone financial results of the Company for the quarter and year ended March 31, 2024 have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on May 30, 2024.
- 2 The figures of the fourth quarter are the balancing figures between audited figures for the financial year and unaudited published for the nine months ended 31 December 2023.
- 3 Post the sale of product business carve-out from the company in 2021, the new management had appointed various consultants and advisers to evaluate all long outstanding matters. Thereafter, based on the recommendations of new management, in September 2022, the Board had set up a Legacy Committee as a Sub - Committee of the Audit Committee, to evaluate and address all long outstanding matters. In the absence of sufficient supporting documents the company tried reaching across its former directors/Key Managerial Personnel (KMP). Due to unavailability of information the necessary provision is recognized in the financial statements.

These inter-company issues, their current status and its accounting impact is explained below:

A. The Company has an outstanding liability payable towards purchase of Intellectual property rights (IPR), since 2012 to its foreign branch in Dubai/3i Infotech (Middle East) FZ LLC amounting to INR 1,06,638.84 Lakhs. The liability towards purchase of IPR was not settled by the Company within the time limit prescribed under FEMA Regulations and the company had approached Reserve Bank of India (RBI) in 2013 through authorized dealer to extend the timeline for repayment of the aforesaid liability till March 31, 2017.

Not being able to settle the liability even by 2017, the Company had thereafter made an application to the Reserve Bank of India (RBI), through its authorized dealer vide letter dated March 05, 2019 and subsequently on October 23, 2020, for set – off of the liability/ payables to foreign branch in Dubai/ 3i Infotech (Middle East) FZ LLC of INR 1,06,638.84 Lakhs against its trade receivables then due from 3i Infotech Inc, 3i Saudi Arabia and 3i Africa of INR 39,233.00 Lakhs, INR 11,347.00 Lakhs and INR 3,046.00 Lakhs respectively The Company has not received the RBI approval as at the balance sheet date.

B. The Company is also carrying certain long outstanding receivables from various foreign subsidiaries amounting to INR 40,626.51 Lakhs as at 31 March 2024. During the current financial year, considering the current market scenario and low operations in many of the subsidiaries, and even though the Company has a net payable position with respect to the receivables and payables balances of its subsidiaries, the Company recognized a loss allowance amounting to INR 32,990.46 Lakhs in the current financial year on a conservative and prudent basis. The net balance outstanding from subsidiaries (net off provisions) is INR 7,636.05 Lakhs.

C. The Company had made investments in Equity and Redeemable Convertible Preference Shares of 3i Infotech Holdings Private Limited in Mauritius between 2006-07 to 2011-12. The carrying value of the Company's investments in this foreign subsidiary as at 31 March 2024 is INR 1,23,446.96 Lakhs. During the current financial year, the Company recognized a provision for diminution in value of investments of INR 42,170.13 Lakhs. The net outstanding balance of investment in this subsidiary is INR 81,276.83 Lakhs.

The Company had not been able to meet its obligation of payment of INR 1,06,638.84 Lakhs to its foreign branch in Dubai/3i Infotech (Middle East) FZ LLC, consequently leading to a cascading effect of 3i Infotech FZLLC not being able to payback amount due to 3i Infotech Inc. and 3i Infotech Holdings Pvt Ltd in Mauritius. Further, it has had a cascading effect of 3i Infotech Inc. not being able to redeem the preference shares issued by it to 3i Infotech Holdings Pvt Ltd. In view of the non-realization of the preference shares in 3i Infotech Inc and the loan to 3i Infotech FZLLC, 3i Infotech Holdings Pvt Ltd has not been able to redeem the preference shares of 3i Infotech Limited. Thus, effectively non-payment of the obligation of INR 1,06,638.84 Lakhs by the Company to its foreign branch in Dubai/3i Infotech (Middle East) FZ LLC has led to the non-realization of the preference shares invested in by the Company. Further, in its board meeting held on 31 January 2024, the Board of the Company decided to initiate Forensic Audit with respect to the aforesaid legacy matters.

There is no major change in the quantum of investments/receivables and payables from/to these subsidiaries since 2012. It has always been the intention to settle the receivables and payables on a net basis, subject to the legal and the regulatory approvals. During the year 2023-24, impairment provisions have been made against receivables and investments on a prudent and conservative basis in view of the delay in obtaining the legal and regulatory approvals. As and when such approvals are received in future, the estimate of the recoverable amounts will be suitably revised.

Pending the outcome of the forensic audit, to reflect a more appropriate and a true and fair presentation of the balances on the balance sheet, the Company has presented all the legacy outstanding balances of its receivables of INR 7,636.05 Lakhs, payables of INR 1,08,097.21 Lakhs and investments of INR 81,277.19 Lakhs relating to these wholly owned subsidiaries as a single line item of INR 19,163.97 Lakhs under 'Legacy related liabilities and assets' in its balance sheet. The net balance would reflect the substance that had the Company been able to pay off its liabilities to its wholly owned subsidiaries, it would have received such amounts back as recovery of its receivables/ investments in such subsidiaries. The amounts in the comparative year ended 31 March 2023 continue at their gross values.

If the legacy outstanding balances of receivables and investments relating to these wholly owned subsidiaries had not been presented as a single line item, as mentioned above, then the investments, receivables and payables would have been INR 81,277.19 Lakhs , INR 7,636.05 Lakhs and INR 1,08,097.21 Lakhs, respectively.

The company has an outstanding liability payable towards purchase of Intellectual property rights (IPR), since 2012 to its foreign branch in Dubai/3i Infotech (Middle East) FZ LLC amounting to INR 1,06,638.84 Lakhs. The liability towards purchase of IPR was not settled by the company within the time limit prescribed under FEMA Regulations and the company had approached Reserve Bank of India (RBI) in 2013 through authorized dealer to extend the timeline for repayment of the aforesaid liability till March 31, 2017. The company is carrying long outstanding net receivables before loss allowance from various foreign subsidiaries amounting to INR 41,671.98 Lakhs.

An application was made by the company to the Reserve Bank of India (RBI) through authorized dealer vide letter dated March 05, 2019 and subsequently on October 23, 2020 for set – off of the liability/payable to foreign branch in Dubai/3i Infotech (Middle East) FZ LLC of INR 1,06,638.84 Lakhs against trade receivables due from 3i Infotech Inc, 3i Saudi Arabia and 3i Africa of INR 39,233.00 Lakhs, INR 11,347.00 Lakhs and INR 3,046.00 Lakhs respectively.

Considering the current market scenario and low operations in many of the subsidiaries, a loss allowance amounting to INR 12,360.00 Lakhs was provided for in September 2023 against long outstanding receivables from foreign subsidiaries.

The Company is carrying Investments in foreign subsidiaries amounting to INR 1,24,856.37 Lakhs. The investments were made in Equity and Redeemable Convertible Preference Shares of 3i Infotech Holdings Private Limited, in Mauritius between 2006-07 to 2011-12 and 3i Infotech Asia Pacific Pte Limited, in Singapore around 2004-05 to 2011-12. The carrying value of Investment as at December 31, 2023 is INR 1,23,064.29 Lakhs and INR 1,792.08 Lakhs respectively, aggregating INR 1,24,856.37 Lakhs.

Post the sale of product business carve-out from the company in 2021, the new management had appointed various consultants and advisors to evaluate all long outstanding matters. Thereafter, based on the recommendations of new management, in September 2022, the Board had set D1up a Legacy Committee as a Sub - Committee of the Audit Committee, to evaluate and address all long outstanding matters.
